

A photograph of an outdoor atrium space. The background is a multi-story brick building with several windows. A prominent feature is a set of bright green pipes that run vertically and horizontally across the facade, surrounding a central window. In the foreground, several people are gathered, some standing near a table covered with a white tablecloth. Large green plants are visible on both sides of the frame. The text "THE ATRIUM" is overlaid in large, white, sans-serif capital letters in the center of the image.
